

PAX Together with Wirecard Showcases Latest Payment Innovations at Seamless Vietnam 2018

(PRC and Hong Kong, 12th November 2018) **PAX Global Technology Limited** (HKSE stock code: 00327.HK), a leading provider of electronic payment terminal solutions and related services, partnered up with Wirecard, the global leader in electronic payment and risk management solutions, to bring the latest innovations and services at the Seamless Vietnam 2018 held from 7th to 8th November, 2018 at the GEM Center in Ho Chi Minh City.

Coinciding with the event's theme – Future of Payments, E-Commerce and Retail, PAX showcases a full range of future-proofed payment products and solutions to help handle all business challenges that Vietnamese merchants of any scale in any field might face. The involved products include the fully-fledged all-in-one integrated POS terminals with a complete set of functions and enhanced customer engagement, smart handheld Android terminals that reshape the checkout experience with an advanced operating system and multiple new features, superior cloud-based PAXSTORE platform delivering unparalleled data security and an effortless experience with optimal terminal management and an abundance of value-added applications, and unique QR series meeting the Southeast Asian consumers' needs for QR code payments while taking up minimum space.

Aside from that, PAX has also exhibited the cutting-edge unattended POS terminals for the first time in Vietnam, which bring the convenience of self-service payment acceptance to any unattended business location, leading the existing payment industry in Vietnam in a new direction.

All the above-mentioned products from PAX have sparked a great deal of attention and a great number of attendees say that they get inspired by PAX solutions and are excited to see what PAX will come up with next. PAX team have also deepened their understanding of client preferences in the Vietnam market through adequate face-to-face communication.

Heidi Hoo, General Manager for the Asia Pacific region at PAX concluded, "It's a great pleasure to co-exhibit with Wirecard at the Seamless Vietnam, one of the most impactful, cross country platform for payment, e-commerce and retail. It's a strong stepping-stone for PAX to consolidate our market position in Southeast Asia and we'll continue to move forward and keep providing the best payment solutions to serve our customers."
