

Merchantpas & Transaction Systems supply Global Blue with innovative Android terminals by PAX Technology to enhance tax free shopping service at luxury fashion stores

(Hong Kong, PRC, 21st January 2019) MerchantPAS and Transaction Systems announce that Global Blue, the worldwide industry leader in Tax Free Shopping, has selected PAX Technology's A920 Android SmartPOS terminal to its innovative portfolio of in-store tablet devices. Millions of shoppers in Europe and Asia Pacific will be experiencing improved tax free shopping, thanks to initiatives taken by Global Blue to deploy PAX's advanced Android SmartPOS payment terminals in many of the world's most renowned fashion stores.

Global Blue partnered with experienced European payment system integrators MerchantPAS and Transaction Systems to roll-out the elegant PAX A920 Android SmartPOS terminal which can run a suite of VAT refund and Dynamic Currency Conversion apps, providing the potential for thousands of fashion retailers and department stores to quickly and securely offer tax free shopping and DCC savings when shopping in over 300,000 Global Blue affiliated stores worldwide.

Unlike traditional POS terminals, merchants using PAX Android devices are able to download a range of useful apps to help increase customer loyalty & interaction, modernise their business, and turn every sale into an upsell.
